ABOUT ME

Derek Demko, AKA “Demko,” is a self-produced rap artist living in Los Angeles. Through electrifying production and poignant lyricism, the multi-faceted artist creates hip-hop to motivate the soul. His music ranges from soft and introspective to powerful and energetic. It's perfect for those who love ear candy in both the lyrics and production. He's teamed up with Grammy-nominated artists, produced for artists around the world, and he is currently a writer and music producer for famed group *Epic Rap Battles of History*.
